

Shakespearean Romance To Reveal Surprise Climax

A sad tale's best for winter; I have one

Of sprites and goblins. These lines taken from William Shakespeare's "The Winter's Tale," signify the drama and mood of this production which the Omaha University players will present for the annual spring play Apr. 9 and 10.

The play is a tragedy evolved from the jealousies of Leontes, King of Sicilia, of his wife Hermione.

Leontes is played by Dick Palmquist, Hermione is played by Kay Strimple and Polixenes, King of Bohemia, is played by Jerry Emery. Leontes thinks his wife, Hermione, an adulteress and he plans to kill Polixenes who he thinks is her partner. Polixenes is warned of the plot by Camillo, played by Duane Post, and flees from Sicilia to his homeland taking Camillo with him.

Hermione Dies

As the play progresses Hermione and the young Sicilian prince, Mamillius, played by Ned Nelson, die. Antigonus, one of the lords of the Sicilian court, is slayed by a bear as he leaves the babe, a girl to perish on the shores of Bohemia. The baby, Perdita, played by Mardee Martin, is saved by a shepherd and his son, Clown, played by John Mitchell and Jack Irwin, respectively. Perdita grows into a lovely woman and Florizel, Prince of Bohemia played by Bill Pierson, falls in love with her. The lovers flee from Bohemia to Sicilia to escape the wrath of Florizel's father, Polixenes.

The events that follow lead up to a thrilling climax—which will have to wait until the curtain goes up on opening night.

Tickets on Sale

Tickets are now on sale for the play. University students will need only to present their activity card to obtain a ticket for the play. Tickets for non-students are \$1 and can be purchased from any member of the cast.

The Chairman for ticket sales is Donar Wells. So far, sales have been good and should pick up, as the date for opening night draws nearer. The curtain will go-up at 8:15 p. m. both nights.

Dollars Worry Senior Class

Money matters will occupy the major portion of the Senior class meeting next Wednesday noon. The meeting will be held in room 385.

Senior President Duane Post has asked that seniors attending the meeting bring \$5.50. The \$5.50 assessment provides for the school gift, the tree planted on Senior Day, and the dinner-dance.

Money should be paid to Peggy Money-maker, treasurer of the class. The ticket office on the main floor will be used as a booth to collect money from those unable to attend the meeting. The booth will be open from Tuesday through Friday from 9 a. m. to 1 p. m.

Special committee reports will also be made. Senior Day, gift and dinner-dance chairmen will reveal progress.

Calendar Shows Secretary Seminar

A Secretarial Seminar will be held on campus Saturday, Apr. 24. The conference will be attended by local secretaries, business teachers and students.

Today's Meet Opens Outdoor Track Season

By Larry Means

Coach Ernie Gorr's cindermen open the outdoor track season this afternoon as they face Midland and Dana colleges.

The Indian squad is depending on hurdler Bill Barnes and the mile relay team for individual victories in their respective events.

Relay Team Undefeated

Both Bill Barnes and the relay quartette of Bob Barnes, Bernie Lainsen, Wayne Larsen and Bob Gerdeman are undefeated in the 1954 season.

Another strong event in the Indian squad is the high jump. Three year lettermen Roger Dumbier and LaRue Garrett have provided Gorr with a one-two punch in practically every meet this season.

Broadjumpers Double Up

Broadjumpers Jerry Tannahill, Emil Radik and Reggie Fellows are all expected to double up during the outdoor season with the sprint relays and the dashes.

Marv Olson and Bob Barnes, both held to sprinting chores indoors will also add another event to their activities. The pair are practicing the longer hurdle races in hopes to provide some depth in the event.

May Improves

Pole vaulter Dick May has enjoyed a good season this year after last year's slump. The sophomore has placed first twice and second once in the three meets in which he has competed.

The track meet starts this afternoon at 2:30 on the outdoor oval.

Group To Sponsor Overseas Summer

Summer education travel for students and teachers has been announced by New York's Council on Student Travel.

Eastbound sailing will leave June 8, 19 and 29. Westbound boats leave Aug. 11 and 24 and Sept. 3. One-class fares on all-cabin ships range from \$140 to \$180 each way.

Language and European history classes will be offered aboard ship. Dancing, lectures, movies and con-

Football Drills Held Indoors

Omaha U's football team, and the strong Alumni eleven had to hold their workouts inside this week because of snow flurries.

The two teams are scheduled to meet Apr. 10, at the University's stadium.

Alums Look Strong

Both teams have been working on plays and pass defense. The Alumni team is loaded with weight and speed. They have such star linemen as, Charlie Mancuso, Rus Gorman, Jim Spencer, Dusty Johnson, Dick Lane, and John Jones.

Arenas Main Attraction

There backfield will consist of Bob Rose, Bob Anderson, Dick Christie, Darrell Mudra, John Potts and Bob Rose. Joe Arenas will be the big attraction. The former OU great, who is now playing for the San Francisco Forty-Niners, will be running from the halfback slot for the Alums.

Varsity Squad

The varsity will be sparked by Bill Englehardt, Arnie Smith, Dick Cotten, Bob Wheeler and Pete Rigatuso. Others that should cause the Alumni plenty of trouble are Rudy Rottella, this year's captain, Simon Simon, Harold Sage, Dick Boyer, Ed Baker and Elwood Mink.

Tickets One Dollar

Tickets for the game may be obtained for \$1 at the University athletic and alumni offices, and at Russell's and Brain's sporting goods stores.

certs will provide recreation.

Thirty-three educational and religious groups sponsor the service.

Sig Ep's Win 'Mural Indoor Track Tittle

Sigma Phi Epsilon repeated as Intramural indoor track champions taking first place in 8 of 9 events Mar. 25, and 26 at the OU Fieldhouse.

The winning squad collected 67 points. Runner up, Pi K A, was way behind the winner with only 23 points, while third place Theta Chi managed to get 15 points. Only three teams entered.

Five Mural Records Fall

Feature of this year's indoor meet was the breaking of five intramural records by the Sig Ep trackmen.

Gordon Jensen started the Sig Eps on their record breaking spree by cracking the 60 yard dash record. He covered the distance in 6.6. The old record was 7.0 set by Dick Westin of the ROTC last year.

Shinrock Sets Record

Following Jensen's performance came Fred Shinrock who smashed the 440 yard dash record in 62.8. The old record was 63.2 held by Harold Sage also of Sig Ep.

Marvin Olsen cleared the low hurdles in 7.9 to erase the old record of 8.0 held by Dick Westin.

Jerry Vetzal heaved the shot put 38 feet five inches to better his last year's record mark of thirty-seven feet eight inches.

Huber Wins Two Mile

In the final event of the meet Lowell Huber won the two mile in 13:39. This was the first two mile run in Intramural competition.

Students Sleep Study

And why not a bit of psychology and electronics to help those long study hours? The idea is that knowledge can be absorbed in sleep. Efficiency should increase when the student is completely relaxed.

Tools of the trade are a tape recorder, an under-pillow speaker, a message-repeating gadget and a special clock which can shut the recorder on and off.

It takes just a bit of time to repeat the lesson. Then . . . Good Night!

Trackmen Cop Second Place

Omaha University trackmen placed second in a triangular track meet last Friday against Iowa State Teachers College and South Dakota University. The Iowa Panthers won the meet, their second victory over Omaha in as many years. The score was Iowa 61, Omaha 50½, and South Dakota 25½.

The Indians won the majority of first places but failed to score in the shot put, and had little depth in other events. The outstanding feature of the evening

was the mile relay. Omaha had a decided edge as final legman Bob Barnes started his quarter.

Iowa Teacher's quarter miler Don Lange made a close race of the event as he closed the distance to a couple of yards at the wire.

Two Records Fall

Two records were broken and one tied in the Fieldhouse activities. Iowa Teachers teammates Jim Lindquist and LeRoy Dunn broke the pole vault and shot-put records respectively. Lindquist vaulted 12 feet two and one-half inches to break the old record by two and one-half inches, and Dunn heaved the shot 45 feet three inches to break the old record by nine and three-fourths inches.

Omaha U's Baseball Squad Meets Alumni Nine Tomorrow

The Omaha U. varsity baseball team will make its first appearance of the season tomorrow afternoon against the OU alumni.

Practices the past week have

been inside because of weather conditions. Players have been working overtime to get in shape for their debut.

The game has been scheduled for the new OU diamond. If workmen do not complete it in time for Saturday's tilt the game will be moved to one of the city ball parks.

Indians Seek Pitchers

Coach Virgil Yelkin doesn't have an experienced pitcher on his squad. Nine infielders and outfielders have been drafted as possible moundsmen.

Probable pitchers for the varsity tomorrow afternoon will be Chris Salberg, John Stella, South High rookie, and Bob Ladd, a transfer from Chico, California.

Offerjost Sparkplug

Big Bob Offerjost, last year's pitching ace, will be the sparkplug for the alumni nine. Other alumni who will see action for Coach Ralph Leaders' crew are Johnny Potts, Don Fitch, Fred Abboud, Jack Seume, Bill Duffack, and Bugs Redden.

Coach Yelkin said that the experienced alumni might prove too much for his green varsity club.

Dave Langevin, Fritz Buglewicz, Don Claussen, Don Hansen, and Salberg are lettermen that should help boost the varsity. Bill Steck will be added strength to the infield, along with big Stan Schaeztle, rookie from South High.

Indian Golfers Open Season

Omaha University golfers open their regular season today at 1 p. m. in a match against Wichita University at the Omaha Country Club.

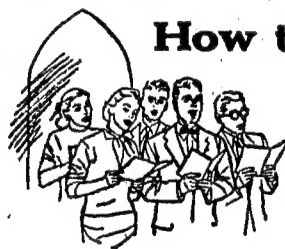

Regulars slated for action are Ron Fox, Jerry Norene, Emil Radik and Fred Shrinrock. Others that may see action are Bud Brown, Bob Ladd, Al Ludwig, Ted Raley and Dean Wilson.

Heading the Wichita team will be Sam Saddler, a three-year letterman on the links. Last year he was voted the best golfer in Kansas and he gained national recognition by finishing runner-up in the 1952 Western Junior Golf Tournament at Minneapolis, Minnesota.

Next Tuesday the University linksmen will be host to Nebraska University in a match scheduled for 1 p. m. at the Omaha Country Club.

The tennis team will begin their season Apr. 9 at Sioux City, Iowa, against Morningside University.

IT'S ALL A MATTER OF TASTE

Late for your date? She hates to wait?
Need something nice to soothe her?
Give her a round, firm Lucky Strike—
They're cleaner, fresher, smoother!

When you come right down to it, you smoke for one simple reason...enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco...light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better...always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

My roommate was a grouchy soul—
No person could be meaner,
But Luckies made him change his tune—
They're smoother, fresher, cleaner!

When you light a Lucky Strike,
You're sure to recognize
That cleaner, fresher, smoother taste
College students idolize!

COLLEGE SMOKERS PREFER LUCKIES

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!
